

EDOCKING IPOD

BEAUTIFUL, SIMPLE, EFFECTIVE

We've all been there. You search for your tablet and then when you find it the battery is low.

With the EDOCKING solution, you will always be able to manage your environment from your chosen place. The EDOCKING products are specially designed to show off your system. They are strategically placed to give an elegant and sophisticated design and an innovative appearance.

IPOD TOUCH

The remote control for your home

EBOX products make it possible to control your whole home through an iPod Touch. This is an elegant solution which can easily be fitted to a wall guaranteeing that your iPod is charged and always ready to use. The docking station is available in four different shades. Other finishes/shades are possible on request.
