

EDOCKING DESK

BEAUTIFUL, SIMPLE, EFFECTIVE

We've all been there. You search for your tablet and then when you find it the battery is low.

With the EDOCKING solution, you will always be able to manage your environment from your chosen place. The EDOCKING products are specially designed to show off your system. They are strategically placed to give an elegant and sophisticated design and an innovative appearance.

EDOCKING DESK - IPAD MINI

The perfect solution for your conference rooms or your home

The EDOCKING DESK is a docking station for the iPad Air or iPad Mini in anodised aluminium with a special finish to elegantly blend in with your environment. The incorporated charger means your iPad will always be ready to use. This docking station is placed directly on the table. The EDOCKING DESK is mobile and can be placed in an ideal spot. Available in four different shades with other finishes/shades possible on request.
